AC-CT001

Specification of Aluminum Alloy Funeral Coffin Trolley

Made of strong, rectangular, aluminum tube.

This Church Trucks feature a protective, anodized finish that keeps the trucks looking bright and shiny-new as well as making them easy to clean.

This model comes with convenient fold-out carrying handles.

These enable the truck to navigate sills, curbs and other obstacles with ease and are very convenient when climbing stairs at churches and mausoleums.

The church truck locks in four positions, allowing a wide range of casket sizes to be displayed with one truck.

The additional length also increases the stability and makes an attractive appearance.
